

## REMARKS

The Patent Office in response to the amendment filed by Applicant's Representative on September 14, 2009 issued a Notice of Non-Compliant Amendment. In particular, the Notice indicated that the amendment was not compliant because the Abstract was not presented on a separate sheet of paper.

Through this Amendment, Applicant's Representative has presented the Abstract on a separate sheet of paper and believes that this satisfies all correction requirements of the Notice. Accordingly, this Amendment is believed to be compliant with 37 C.F.R. § 1.121 and a notice to that effect is respectfully requested.

All claims are believed to be in condition for allowance and prompt issuance of a Notice of Allowance is respectfully requested. If any fees are determined to be due in connection with filing this Amendment or any other paper filed during prosecution of this application, the Commissioner is authorized to charge any such fees to deposit account no. 20-0090. If any extension of time is required in connection with filing this Amendment or any other paper filed during prosecution of this application, such an extension of time is petitioned for and hereby respectfully requested.

Respectfully submitted,

Dated: October 22, 2009
